

# The Caterpillar Poetry Prize 2019

Category: [Poetry](#)

Deadline: March 31, 2019

Website: <http://bit.ly/2KUIDxP>

**The Caterpillar** is the younger sibling of *The Moth*, a magazine of poems and stories and art for grown-ups. *The Caterpillar* is for kids between the ages of 7 and 11(ish), though grown-ups are bound to like it too. It appears four times a year (*in March, June, September and December*) and, like *The Moth*, is jam-packed full of new artworks and 'wordworks'.

The 2019 edition of **The Caterpillar Poetry Prize** is now open for entries.

Entries can be on any subject and must be in **English**, typed, with each entry on a new sheet. There is no line limit. Entries must be entirely the work of the entrant and must never have been published, self-published, published online or broadcast.

Worldwide **copyright** of each entry remains with the author.

Entry fee is 12 Euro per poem, and you can enter as many poems as you like.

## Eligibility

Open worldwide to anyone over 16, as long as the work is original and previously unpublished.

## Prize

A prize of **1,000 Euro** is given to the best poem. Moreover, the winning poem will feature in the *Summer 2019* issue of *The Caterpillar*.
